

On the second page is a blank 2022 Watercraft Declaration sheet. Please complete the form in its entirety to include your name & primary lot number at the top. Remember to check the box certifying you are the owner and the information is accurate. Please do not write "same as last year" or "safety already has on file" as we are updating all of our records this year. If you do not own any watercraft, please complete the top & bottom of the declaration and check the box you do not own any.

Your 2022 Watercraft Declaration must be returned to the Safety Department, properly completed, before you will receive a current year's sticker.

It is important that all Watercraft Declaration sheets are returned, even if you don't have any watercraft to declare. We utilize the contact information to ensure we have the most current information, should Lake Viking ever need to contact you.

Please do not hesitate to contact Safety at (660) 322-9001 should you have any questions

Thank you,

### 2022 Watercraft(s) Owned

Name: \_\_\_\_\_

Primary Lot Number: \_\_\_\_\_

Safety is tasked with ensuring all watercraft(s) on Lake Viking are owned by members; therefore, authorized on your lake. Watercraft registrations or proof of ownership must be shown and the watercraft must properly display member identification (page 26, 2021 Handbook). Once you have listed all your watercraft(s) information below, check the box that certifies you are the owner and the information is accurate.

Please provide a current phone number and email address and return to the association office or Safety Department.

**All forms must be returned before your watercraft will receive a current year's sticker.**

Year	Make	Model	Primary Color	

I certify that I own the listed watercraft and all the information is accurate.

I do not own any watercraft.
