Please be involved in your community by returning this completed form to the Lake Office.

COMMITTEES

Activities Committee: Plans and schedules social activities in which members in good standing and their families can take part, as well as identifies worthy projects and focused fundraising events that enhance the community and membership.

Building Committee: Examines for approval all construction plans including, but not limited to, residences, docks or other structures.

Campground: Provides support to lake management in matters related to the campgrounds, including space availability, maintenance and renters needs.

Dredge & Erosion Committee: Researches, monitors and advises the Board of Directors regarding lake dredge operations, soil erosion and bank stabilization issues. Plans for dredging activities, silt pond cleanout and weir maintenance. Meets with dredge supplier and provides direction to dredge staff.

Finance Committee: Approves and monitors the Association finances for the current year and sets a budget for the upcoming year. Committee members should have Finance, Accounting or similar business background such as banking, investing, or operating a small business, etc.

Fishing Committee: Submits recommendations for fishing improvements, activities, regulations, and concerns to the Board of Directors. Plans fundraising events for purchasing fish to restock the lake. Works with the Missouri Department of Conservation for fish counts.

Infraction Committee: Ensures adherence to the rules and regulations in the Handbook. Holds infraction hearings and determines fines to be levied.

Lake Committee: Assists in ensuring compliance with shoreline protection, and buoy placement. Conducts both roadside and waterfront property inspections to ensure rule compliance. Provides assistance to the Safety Team.

Strategic Long-Range Planning Committee: Provides counsel to the Board and Lake Manager regarding future (5 years and beyond) amenity needs and makes recommendations for the long-range growth of the lake.

Volunteer Fire Department: Provides staff assistance with trained firefighters, equipment, required maintenance, and regular training to volunteer firefighters.

Office Replacement: Ad-Hoc committee to discuss office replacement strategy.

Covenant & Restrictions Review: Ad-Hoc committee to review and recommend changes to Covenants & Restrictions.
